FUTURE FUND GRANT PROGRAM DESCRIPTION

The Future Fund for Jo Daviess County supports ideas that advance the future of Jo Daviess County and/or address future needs in our community. The fund focuses on areas of need such as family economic security, education, and community development.

This year, the Future Fund will provide grants of up to \$10,000 to ideas that will create a significant impact in Jo Daviess County, by improving family economic security, supporting education, and enhancing community development. The total amount available is \$10,000. The Future Fund may provide multiple grants in amounts of less than \$10,000 based on the size and types of requests received.

Organizations interested in applying for a grant should visit the Community Foundation of Jo Daviess County website www.cfjodaviess.org. Grant guidelines and the grant application are available beginning August 15.

Submit your BOLD and NEW ideas that can impact the future of our County.

Applications will be accepted between August 15 and September 30.

Grant recipients will be notified by October 31.
